

MT. HOOD CLEANERS

12/19/2018

To Whom it may concern,

If you are considering working with Leco to get your supplies..... You are making a wise choice that you will not regret. It has been my absolute pleasure to work with them for our Dry Cleaning/ Restoration supplies. John Chase is the best sales person out there, and definitely makes you feel like you are his only client. Never too busy to talk to you if there might be something you are looking for, and works to make sure you get it.

Everyone on this staff that I have had the pleasure of dealing with, goes above and beyond, including the delivery driver (Barry) who goes out of his way to make a special trip to my office to get the paperwork dealt with and the order checked off. Then delivers it to the building up above for me. I have dealt with quite a few vendors, but these guys are by far the easiest to deal with, and in my opinion, the best out there.

Sincerely
