

3/29/18

Hello Brian,

I would like to thank you for your excellent service and commitment to quality, here at our facility.

As a purchasing agent, it's instrumental to have a reliable vendor that we can count on to deliver our janitorial team's supplies.

You have proven to be a vital asset and a much appreciated part of my network.

I would highly recommend your company to anyone in need of cleaning supplies.

Regards,

Lee Hubbard
